Tom Rock, Newsday:

Yes, the Eagles, one of the Giants' highest hated rivals signed Michael Vick aboard Thursday night. And yeah, while the team practiced Friday morning, they worked aboard safeguarding the Wildcat offense, official NFL jersey.

But no they are never connected. It's simply one of those strange coincidences of timing, consultant Tom Coughlin said.

Ed Valentine, Big Blue View:

Now that I have watched maximum of New York Giants training camp in Albany and before the exhibition games begin I thought I would take another surmise along the possible 53-man roster. This ambition look a mini alter than my pre-camp roster. It ambition too see cumbersome among some positions and light among others. I tried to give you the guys I actually think should acquaint this team.

I must tell you, the last two alternatively three cuts aboard this list are excruciatingly difficult.

Ralph Vacchiano, The Daily News, with a film report aboard the breakout player of camp, Ramses Barden, custom football jersey. Vacchiano too had his eye aboard anew wideout:

With David Tyree sitting within the rehab region WR Derek Hagan continued to stake his demand to the seventh WR spot He streaked down the sidelines and caught a Manning pass ahead S.C.C. Brown could get there. Then he made a great leaping arrest over Dockery to arrest anew Manning pass.

The Ultimatum on things to watch Monday night:

- a) LBER speed to the ball We activity against Peterson, Sproles, Maclin, Harvin and Vick swiftly also so that speed among the medium of the defense is going to get tested.
- b) Terrell Thomas
- c) Chris Canty is out- we'll have to await until Saturday as his debut
- d) Osi's side to side agility
- e) Eli's accuracy YAC, deep ball
- f) Of lesson the WRs

So this is the Jeremy Shockey we've been hearing nearly as the past year.

This is the guy the Saints traded two design picks as the fellow who made the Pro Bowl, the one the club thought could dot the 'i' among their invincible offense.

This is TheRealJShock.

Joe Lapointe of The Times on hunting for autographs by Albany:

There is no admission charge and proximity to players is priceless.

Tuck worked for a politician on a cable line. Madison Hedgecock, the fullback, signs so many autographs that fans occasionally corner him down. By the end of camp, they're, favor ?? Man, authentic college football jersey, I got you yet, nike nfl jerseys leaked, Hedgecock said.

Extra point: Gary Myers of The Daily News looks along what awaits Plaxico Burress. Roger Goodell has ruled aboard Donte Stallworth and Michael Vick, official nfl jersey. It's Burress's corner. BUFFALO, new nfl jerseys, N.Y. D Toni Lydman is a muffle, nfl jersey cheap; unassuming sort who has made a lot of noise with his sound activity surrounded his 1st season with the Ducks.

But when asked nearly Tuesday night's game against the Buffalo Sabres, Lydman showed the competitive side that he displays on the ice night after night.

It's kind of strange to work there plus activity, Lydman said outside the dressing room by TD Garden following the Ducks' 3-0 win over Boston. I also paucity to blew that team so bad It would be nice to be proficient to joke almost it with those guys behind.

A lot of friends there. I wish we blew them plus I can give them hell, buy nfl jerseys; afterwards.

Lydman said this with a wry smile as the defenseman holds no grudges toward a team that he became a fixture with on the blue line as five seasons onward he signed with the Ducks this past summer for a free agency.

The Sabres were a crew that Lydman proved himself afresh as a reliable defenseman capable of logging a lot of minutes back helping Calgary to the 2003-04 Stanley Cup finals. new nike nfl jerseys; A regular on Finland's national crew Lydman suffered two concussions plus missed just about six games of the postseason onward being dealt for a 2006 third-round pick which became current Calgary prospect John Armstrong.

Getting traded there was kind of a current fresh begin as me, Lydman said. Especially the yearly ahead the lockout, I had a bunch of injuries plus kind of needed a agreeable annual to bounce back, so to talk They gave me a event I think things went well as me surrounded Buffalo. I'm grateful as the chance there. I have nothing merely agreeable [things] to say nearly them.

Like I said, a lot of friends there aboard that crew It's going to be a mini weird to activity them. But likewise I don't want to take anything from them behind the game. I paucity to be competent to laugh by them plus give them little jabs.

It has certainly worked out as the Ducks, who are reaping the rewards as one of the best under-the-radar signings of the off-season. Lydman immediately settled down a scattered defense corps with his strong positional activity plus ability to acquaint the correct mini play to get the puck out of the

their zone.

A plus player as his last six NHL seasons, Lydman is a plus-18 that's not only the best on the Ducks as yet barely is tied as second in the league with Pittsburgh defenseman Kris Letang.

The Sabres, meanwhile, have struggled aboard barricade back letting Lydman plus Henrik Tallinder opt as free agent Lydman said he began to see the writing on the wall.

"The way things were going last year my ice period wasn't where it used to be," he said. "There were some signs. It wasn't that hard of a alternative while Anaheim called. Things worked out."

Ever since he revived from a mysterious bout with double vision prior to the season, Lydman has been an iron man for he's averaging over 23 minutes of ice duration that's second only to barricade partner Lubomir Visnovsky. In the win over the Bruins, Lydman took a shot deflected along Boston's Milan Lucic off his face but returned a short period later.

Lydman got several stitches to near a gash in his upper lip the aggregate of which "doesn't matter."

"It's more cosmetic than anything," he quipped. "But it's part of the game. It has happened before I can only wish it doesn't occur again barely there's always a accident It hits a mallet plus comes up, there's not much you can do. You don't have period to react."
