Two of the expected group, baseball jersey sizes, however, authentic hockey jerseys, weren't on the ice this morning. Neither Tomas Plihal nor Alexei Semenov were there, oregon football jersey, but whether that mean they're in the lineup is another question that won't be answered until game time.

LOS ANGELES — It's the time of the season where rest is often more important than the morning skate, red sox jersey, so the only players who took to the ice at Staples Center were the likely scratches, 2012 new nfl jerseys, plus backup goalie Brian Boucher who is expected to be in the nets tonight.

Norton's back problems ended up requiring two surgeries, manchester united jersey, two planned and one of the emergency variety when he developed a blood clot in his spinal column. That last procedure required a 12-day hospital stay to be certain he was OK.

Vanek appears to be full go in practice skating with Derek Roy and Drew Stafford. Afinogenov is with Tim Connolly and Ales Kotalik -- maybe we should dub that one The Trade Line.

We won't get any official word until we talk to Lindy Ruff and the players after practice but, authentic nfl jersey, from what I'm seeing on the ice, custom college football jersey, it appears Thomas Vanek and Maxim Afinogenov are going to be in the lineup Wednesday against Montreal (provided, atlanta braves jersey, create basketball jersey, of course, college football jersey, Max isn't dealt before then).

I've been very anti-Max all season. But at this point, make a hockey jersey, can he be any worse than the rest of The Deep Freeze Boys?

\*\*\*\*\* The Sharks have had the same healthy scratches since the arrival of Brian Campbell at the trade deadline and today assistant trainer Wes Howard came up with a way to develop a little camaraderie among the group and keep things light. They're skating with small yellow fins attached to their helmets, mlb jersey shirts, Nike Texans Jerseys, each fin bearing the players' number. The fins are tied to a competition among themselves, nike pro combat nfl uniforms, sort of a star-of-the-practice tracking system.
